Please get girls for dress rehearsal Tuesday or Wednesday. Cannot tell you before ~~tonight~~, but you can line up and check on dates of availability.

Tell them to be prepared for a long night.

Take only girls who have no dates that particular night. I prefer Jean, Margie and a third, either Ann Rubin or Rosalie, if they do not charge more than the others.

This would help me tremendously in lining up modelling lists. Also, I can see for show what changes have to be made in fit, and what garments are best suited.

If they charge too much and Jerry will not O. K., get the dark girl who worked for us at rehearsal before, but do not get blonde girl who works for Peggy Hunt again. Too long waisted. Would even like to replace her for the show. What do you think about that?

Get all the accessories together for rehearsal to decide Tuesday what to use.
